

Faculty Development Program

About NGI-FOE:

The Navsahyadri Group of Institutions has been established in the year 2010 with vision to provide quality education to the students of rural and urban area of Maharashtra. It is a rapidly growing institute under the umbrella of Navsahyadri Education Society (NGI). The NGI is Located in Sahyadri ranges with scenic beauty at Naigaon, Nasrapur, Pune. The campus is accredited with “A” grade by NAAC. The focus is on academics, research & innovation and to train the students for the best placement opportunities as well as to prepare them for other career options. As a part of academics we observe strict discipline in students attendance, teaching and regular assessment of the students. In research and innovation, we stand at top with 50+ patents and 300+ copyrights filed within 14 years. Our students participates in co-curricular and extracurricular activities like BAJAJ, Go-Kart, Robocon, TIFAN, PurushottamKarandak, FirodiyaKarandak, DajikakaGadgilKarandak etc.

About Faculty Development Program:

One week faculty development Program on “Innovative Practices in Teaching Learning process” organized by Navsahyadri Groups of Institutes, Faculty of Engineering, Naigaon, Pune, is from 19th Dec 2023 to 23rd Dec 2023.

It will not only promote the professional practices relevant to technical education but also motivates the faculty to achieve competitive teaching and learning environment, thus channelizing development with respect to academic qualifications and personal matters. NGI strongly believes that Human resources is an important element which is needed to realize the Institute's goals and aspirations. Hence, NGI is trying to maintain high skilled and efficient academic faculty in order to achieve excellentstandards in all the disciplines offered by the Institute. Faculty Development Programme is considered as a serious activity to prepare and mould the faculty. Understand the significance of higher education, in the global and Indian contexts. Acquire and improve art of teaching at the university level to achieve goals of higher education, and to be effective in transfer of knowledge. Accord importance to research activity in addition to academic activity. Understand the linkages between education and socio-economic and cultural development.
