NESGOI ORGANISATION STRUCTURE

Organizational processes: The Hon. President represents the Management of the Society. He is assisted by the college Governing Body, College Development Committee (CDC) and the Director is responsible towards academic activity and Management of the college. The GOI is divided in 5 main areas:

- i. Engineering Education Programme
- ii. Management Education Programme
- iii. Polytechnic Education Programme
- iv. Management & Administration
- v. Overall Management

The Programmes are run through the department. The department activities are divided in 7 sub-activities:

- i. Computer Applications
- ii. Departmental Library
- iii. Laboratory Development
- iv. Services
- v. Student Related Activities and Alumni
- vi. R&D
- vii. Testing&Consultancy

The day to day management & administration of the college is divided in 4 main areas namely:

- i. General Administration
- ii. Finance
- iii. Personnel
- iv. Materials

The overall management of the college is divided in 7 main areas namely:

- i. Organization & Governance
- ii. Financial Resources
- iii. Physical Resources
- iv. Human Resources(Faculty&Staff)
- v. Human Resources(Students)
- vi. Teaching & Learning
- vii. Researchand Development(R&D)

Nature and Extent of involvement of Faculty and Students in academic affairs/improvements

The teaching faculty and the students of the college are deeply involved in continuous improvement of the academic standard. This involvement is a continuous process which takes place through the following forums:

- 1) Department-wise students' organizations.
- 2) Department-wise meetings of Guardian Faculty Member with the students (periodic)
- 3) Departmental Faculty meetings on weekly basis
- 4) Meetings of Heads of department with principal on weekly basis
- 5) Meetings of departmental faculty with the Principal on weekly basis.
- 6) Representation of faculty member in College Development Committee (CDC). The meetings of all these forums take place regularly and minutes are maintained.
- 7) Student's council.

Mechanism/Norms and Procedure for democratic/good Governance

The Management & administration of the college is totally transparent. All issues related to the academic development, career development of teachers, development of infrastructure, training and placement of students are thoroughly discussed in the departmental meetings and meetings of Heads of the departments with the principal, before implementation at the college level.

Student Feedback on Institutional Governance/Faculty performance

The Students' feedback on the institutional aspects and faculty performance is obtained at the end of each term i.e. twice a year. The feedback is analysed at the level of heads of the department and corrective measures are taken whenever appropriate.

Grievance Redressal mechanisms for Faculty, staff and students

The College is affiliated to Savitribai Phule Pune University, Pune. The University already has a grievance redressal mechanism for the faculty, staff & students. However, at the College level, grievance redressal committee as per AICTE norms has been formed to deal with the day to day as well as urgent problems of the faculty, staff, and students.

(10) Criteria and Weightages for Admission

Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc.

- 1) **CAP admission** : Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Chemistry and Mathematics and Secured Minimum 150 marks out of 300 marks (minimum 45% marks i.e. 135 marks out of 300 marks in case of candidates of Backward class categories belonging to Maharashtra state only) in the PCM added together and Obtained non–Zero Score in Physics, Chemistry and Mathematics at MH–CET/AIEEE.

- 2) **Institute level and vacant seat admission:**

Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Chemistry and Mathematics and Secured Minimum 150 marks out of 300 marks (minimum 45% marks i.e. 135 marks out of 300 marks in case of candidates of Backward class categories belonging to Maharashtra state only) in the PCM added together and Obtained non –Zero Score in Physics, Chemistry and Mathematics at MH–CET/AIEEE.

Innovation Cell

NESGI Innovation Cell is thus envisaged to network people, ideas, experience and resources to motivate the innovation community in the college. This cell helps to nurture the students’ ideas and encourage them to bring up business proposals. The Innovation Cell may facilitate even in getting funds for the project. Learning is a continuous process and there are always possibilities for improvement in the existing system around us. Using the facilities of workshops, laboratories, library including digital library facility, internet and intranet facilities and research facilities available in the institute, innovative ideas could be translated into reality or existing systems could be improved upon. The main aim of this Cell is, thus, to create intuition in terms of creative design ideas in various fields of engineering in an aesthetic approach. Innovation Cell will assist students and also encourage young talented minds by providing them a perfect platform for showcasing their talents, working together as teams and participate in various competitions. It will also serve to provide the students a platform to excel in their specialized area of interest.

Social Media Cell

Nowadays, social media plays a crucial role in people and industry networking. Social media platforms also help to publicize the accomplishments of the Institute's students and staff. The audience of Social Media platforms includes all stakeholders. NESGI has social media accounts on Facebook, Instagram, LinkedIn, Twitter, and YouTube. Print Media includes newspapers, weeklies, magazines, blogs, banners, graphics, posters and other forms of printed material. In order to effectively make use of media, it has been decided to publicize our College events through social and print media

Compliance of the national academic depository (NAD), Applicable to GCM/PGDM institutions & university department

List of facilities available

Games and Sports facilities	Annual gathering event ‘Xpressions’: Every year, the institute organizes an Annual Gathering. The students whose performance are excellent in various activities like academic, co-curricular, cultural and sports are awarded with trophy and certificate during the ceremony. During the function the cultural students organize the variety entertainment programme.

Soft Skill Development Facilities	Soft Skill Development Facilities:
	Skill development programs aim to acknowledge the ability of the youth and extend their support by serving them with the proper guidance; infrastructure, opportunities, and encouragement that help them achieve their ambitions. Skill development helps build a strong foundation for students at the school level. It helps build self-esteem, confidence, and leadership skills. It develops problem-solving skills and collaboration. It helps students become independent thinkers and encourages them to plan for their future. Best Practices adopted, if any

BESTPRACTICE-1
TITLE: INSTITUTE IN INDUSTRY

Objectives of the practice:

To apply engineering/Management principles in an industrial situation.

- To demonstrate industrial procedures and practices.
- To describe the multi-disciplinary relationship in the industry.
- To demonstrate the personal and organizational skills in the industry. And
- To manage the work on site

Context:

- Many graduates join the industry after their graduation and hence they must have exposure to the industrial practices.
- There is established the fact that any industry operates based on the engineering Principles/application of different faculties/domain. Hence the graduate must understand and Implement multi-disciplinary approach at work.
- The industrial practices shall establish the relevance of theory to practice. There are many hidden practices in the industry as related to the management of work. The industrial exposure will provide the graduates the experience of the values and ethics required in industry.

Practice:

The institute has the workshop having industrial manufacturing facilities. Through these facilities, the tools and components are manufactured and supplied to the industries. The students of the institute are deployed in workshop having the industrial facilities. The students from a different branch of engineering attend the workshop during the practices/laboratory work and gain the experience of the industry. e.g. NESGI organizes CNC Training program/ workshop for mechanical engineering students in each academic year.

Evidence of Success:

The industry demonstrated the competencies and skills required while working in the industry

Problems Encountered and Resources Required**Problems encountered:**

- Integrating the branch wise experiences.
- Demonstrating the faculty wise experimentations
- Time management

Resources required: Expertise in the design of problem-based learning and project-based learning.

Sports:Report of Sports activities 2022-2023.

Gymkhana: Gymkhana plays a pivotal role in over all development of students. Gymkhana provides a platform to students to explore their potentials in extra and co-curricular activities in several cultural and sports areas. Students of all departments take active participation in various activities conducted through gymkhana. Gymkhana also motivates and supports the students to participate in sports and cultural activities of high repute outside the College. Our College students participate in various sports and cultural events organized by various colleges. Gymkhana organizes following sports events every year:

Inter-Collegiate Sports and Cultural Competition

: Navsahyadri Education Society's, Faculty of Engineering organizes sports and cultural fest for aspirants with a high competitive spirit to participate with strong determination to include their achievements & accomplishments. It does include sports events like Box Cricket, Volley ball, Kabaddi, Chess, 5-A Side Football and cultural events like DJ War, Band competition, Dance, Singing, Poetry, Painting and Elocution. Students from different institutions participate enthusiastically in every activity.

Inter- Collegiate competition: Since the establishment of the College, the gymkhana has been playing vital role in the overall development of the students. As a result, our students have earned applauses in the competitions at SPP University, State and National level, prominent.

College Organized Programme (Seminar, Conference, Workshop, Symposia, etc. state, national international):

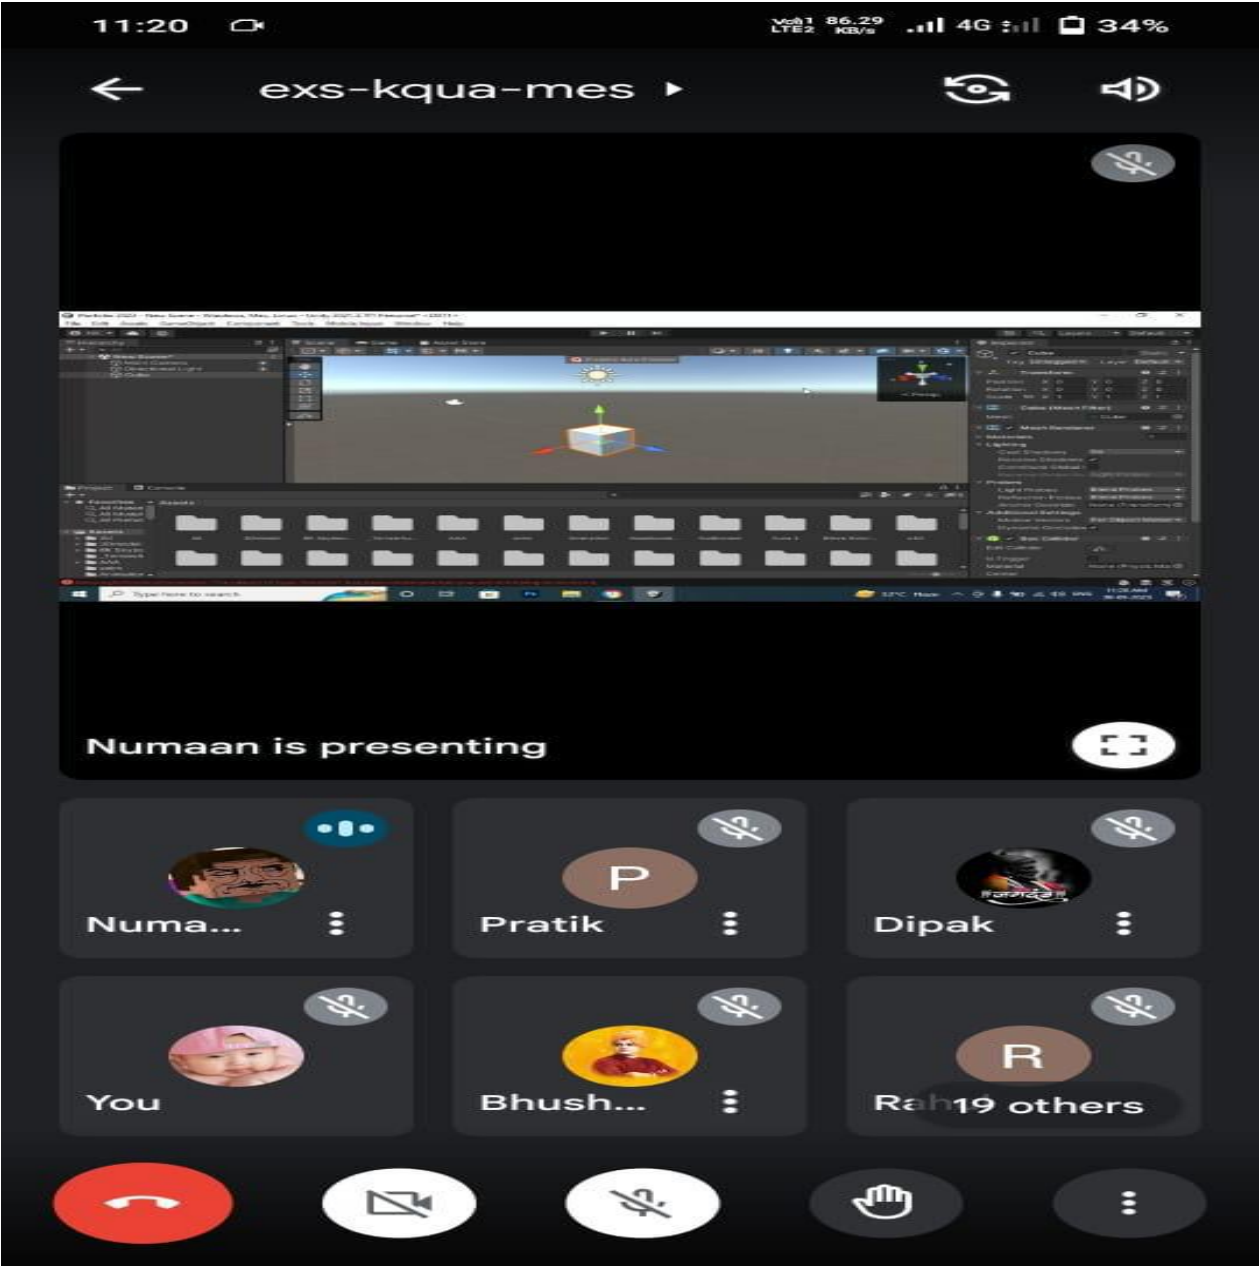

- 1) The Navsahyadri education Society's Group of institutions, faculty of engineering Organized two day (21st Feb – 22nd Feb. 2023) a workshop on Online Learning Through SWAYAM and MOOC Education at the Central University of Gujarat organized a five days' workshop on MOOCs through Swayam for the faculties teaching at different teacher education institutes. The workshop was organized under the Centre for the professional development of teacher educators under the scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching. The session started with presenting a memento to the expert followed by a prayer. Dr. J.N Amin, Associate Professor, School of Education, Central University of Gujarat introduced and welcomed the expert and the expert for the first day of the workshop Prof K. Srinivas, head of ICT & Project Management Unit of National Institute of Educational Planning and Administration (NIEPA) a Government of India, Ministry of Human Resource Development (MHRD) Institution in New Delhi and welcomed all the participants coming from different parts of the country to attend the workshop.

- 2) The Navsahyadri education Society's Group of institutions, faculty of engineering Successfully Conducted 2 Days workshop on "Augmented Reality (AR) & Virtual Reality (VR)" Dated on 29/05/2023 & 30/05/2023. Students learned practical implementations of Virtual reality, Games development , Animation.

3) Department of Civil Engineering have scheduled and Conducted Site Visit to Naidu sewage treatment plant (STP) for Class: SE, TE & BE Civil.

Visit Coordinator: Prof. Neha R.Ghole

4) Department of Civil Engineering have scheduled and Conducted Site Visit to Veer Dam.

For Class: SE, TE & BE Civil

Visit Coordinator: Prof. Sagar R. Chavhan

5) Students of Civil Engineering Department have participated in National Level Poster Presentation "Pratikruti" organised by RMD Sinhgad College of Engineering

- 6) Department of Civil Engineering have scheduled and conducted Guest Lecture on Dams & Hydraulics Structures.

- 7) Navsahyadri Group of Institutes, faculty of Engineering, department of Computer Engineering organized webinar on "Intellectual Property Awareness" on the occasion of World Intellectual Property Day dated on 26 March 2023. Navsahyadri Group of Institutes institute has collaboration with Indian Patent Office, Mumbai.
- 8) NESGOI FOE has organized two-days workshop on Python for data analysis. Students learn new skills and techniques that they can apply course , work and research.

9) Navsahyadri Group of Institutes, faculty of Engineering organized two-days workshop on "Python for data analysis". The workshop aims to equip students with the necessary skills and knowledge to excel in the field of data analysis using Python. Expert was Dr. N. D. Kale from Vardhaman College of Engineering,

Hyderabad.

10) An awareness session on “German Language and Job Opportunities in Germany” Organized by Computer department dated on 20 March 2023.

Navsahyadri Education Society's Group of Institutions , Pune

An awareness session on “German Language and Job Opportunities in Germany” was arranged for all the students of (SE/TE/BE)-Faculty of Engineering by department of Computer Engineering on 20.03.2023 in association with Goethe Institute, Pune. More than 160 students have attended the session.

10) Electrical Department visited Gunjawani hydro Electric Project Company.

11) On the occasion of National Youth Week, students of Navsahyadri Engineering College and National Service Scheme (NSS) Unit organized a rally at Nasrapur.
