MEMORANDUM OF UNDERSTANDING

BETWEEN

"Defence Institute of Advanced Technology (DIAT), Pune

AND

Navshyadri Group of Institution,s

Faculty of Engineering Naigaon, Pune

(NAAC A Grade Accredited)

At. Naigaon (Nasrapur Tal. Bhore, Dist. Maharashtra 412213, INDIA

E-Mail ID – tpongifoe@gmail.com Web Address: - <https://www.navsahyadri.edu.in/>

Memorandum of Understanding (MoU)

This Memorandum of Understanding is hereby executed on 18th August 2023 between **Defence Institute of Advanced Technology (DIAT), Pune**, represented through Mr. Surjit BU-Operations, Authorized Signatory, Authorized Signatory in **ONE PART** and Nav Sahyadri Group of Institute ,Pune in **second Part**.

An individual can experience the resources and facilities of a relax and the calm peacefulness in this campus at once. Ever since its establishment has helped persistently to improve in both curriculum and extra-curriculum activities. Global competitiveness has become the trademark in all technical institutes. Recognized by Government Globalization has hit the areas of Science and Technology and its established to stay in the long run and hence of Maharashtra and affiliated to the University of Pune, as well as an AICTE approved organization that develops and emphasizes the intimate relationship between the knowledge of the practical application in The foundation laid in the year 2010, NESGI. The organized structure of NESGI trains the individuals to strongly root the philosophy of training and research the society. NESGI provides a great platform for pursuing an designed academic pursuit.

Amidst the green beautiful Sahyadri Hills, overlooking the picture-esque Khadakwasla lake, is situated the Defence Institute of Advanced Technology, (DIAT), which came into existence on 1st May 1952 as Institute of Armament Studies at the sprawling campus of the College of Military Engineering, Dapodi, Pune. DIAT, to meet the needs of Armed Forces, DRDO, Defence Quality Assurance, Defense Ordnance Factories, Directorate of Aeronautical Quality Assurance, and other Public Sector undertakings many specialized / customized PG courses are conducted. In addition to the Ph.D. & M.Tech. Courses, The Institute also conducts 1-1.5yr duration specific limited courses and a variety of specialised short term courses. DIAT opened its gates in the year 2006 for the general public, and since then has been admitting students in open category with scholarships to join its Ph.D / M.Tech programmes. To boost the ongoing research programmes and also to enhance quality of teaching and training the institute has introduced a scheme of "Visiting Professors/Scientists". The institute is on its way to take a quantum leap in the domain of technical education & research, specific to defense needs.

SCOPE OF THE MOU:

This MOU details the modalities and general conditions regarding collaboration Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune and Defence Institute of Advanced Technology, (DIAT), for enhancing, the availability of highly qualified manpower in the areas of Research without any prejudice to prevailing rules and regulations in NGIFOE Pune, Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune and Defence Institute of Advanced Technology, (DIAT). The areas of cooperation can be extended through mutual consent.

SCOPE AND TERMS OF INTERACTIONS

Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune

And

Defence Institute of Advanced Technology, (DIAT) shall encourage interactions between the Engineers, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation for special subject periods.
- b) Organization of Joint conferences and seminars, Industrial visits, Expert lectures etc. Monitor process of organizing industry based projects for students.
- c) Practical training of Students/Staff of Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune at Defence Institute of Advanced Technology, (DIAT).
- d) Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune & Defence Institute of Advanced Technology, (DIAT). Would arrange discussion sessions for the staff and students, which will help to design its Syllabus, Vision & Mission of the Institute & Departments, Program Objectives, Course Outcomes/Objectives according to SPPU, as well as organize industrial visit , Seminars, Expert Talks, Project Guidance.

SHARING OF FACILITIES

- a) Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune and Defence Institute of Advanced Technology, (DIAT) shall make provisions to share their respective important R&D facilities & Infrastructure in order to promote academic and research interaction in the areas of co-operation.
- b) **Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune** and Defence Institute of Advanced Technology, (DIAT) shall provide access to the library facilities to scientists' members of faculty and students as per the prevailing rules and norms in the respective institutes.

EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date of signing by competent authorities at both ends.
- b) The duration of the MOU shall be for a period of **three years** from the effective date.
- c) The MOU may be extended or terminated by a prior notice of not less than **three months** by either party or mutually specifically disclosing the intension to withdraw from MoU. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a program under the MoU.
- d) Any clause or article of the MOU may be modified or amended by mutual agreement of DIAT and NGOIFOE Pune.

MISCELLANEOUS

The MoU is purely Knowledge sharing base Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune and Defence Institute of Advanced Technology, (DIAT) shall not, during the term of this agreement directly or indirectly, solicit or offer employment or engagement to any of the personnel of other party.
After this agreement has been signed, the exercise shall be taken in co-ordination with each other.

IN WITNESS WHERE OF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THE DATE AND YEAR FIRST WRITTEN ABOVE.

THE MOU IS FOR STUDENT EXCHANGE FOR INTERNSHIP AND SUPPORT ACADEMICALLY FOR CONFERENCES & WORKSHOPS. IT IS COMPLETELY FOR ACADEMIC KNOWLEDGE SHARING.

Memorandum of Understanding

This Memorandum of Understanding is hereby executed on 23rd Sep between **Edubridge india**, having its head office at 401, Kushwah Chambers, 702 Makwana Rd, Gamdevi, Marol Andheri (E), represented through Mr. Surjit BU- Operations, Authorized Signatory, Authorized Signatory in **ONE PART** and Nav Sahyadri Group of Institute, Pune in **second Part**.

Background of Edubridge Learning :

EduBridge is India's leading Workforce Development Platform that helps learners in building careers with leading corporates through training & other career building services.

EduBridge is an Integrated Workforce Development Organization started by IIM alumni & professors in October 2009, EduBridge impacts the entire Career Development life cycle of the unemployed youth of the country. We help the unemployed youth to understand their strengths, build tomorrow's skills needed by recruiters and secure employment with them, thereby building sustainable careers for our beneficiaries.

With more than a decade of experience, we have trained over 150,000 youth and placed around 100,000 learners in more than 300 companies across the country. We have an offline presence across 18 states, extensive local networks & ecosystems, tried and tested tech architecture and strong relationships with recruiters, corporate and the youth; we have grown our online business as an Integrated Workforce Development Platform for the youth's journey from a learner to a productive member of the workforce.

EduBridge has a diversified business model with revenue coming from Learning Solutions, Career Solutions and Talent Solutions. Headquartered in Mumbai, EduBridge has offices across India and a strong team of over 500 employees..

Automaton AI

Artificial Intelligence

Centers of Excellence (CoEs)

(In association with ADVIT™ AI Labs)

Center for Excellence (CoE) is to enhance student specialized skills and expertise and purposely disseminate that knowledge within students. CoEs should not be confused with Communities of Practice (CoPs), sometimes it referred to as guilds. In the last few years we've seen by using Artificial Intelligence many projects are developed i. e. future generation of real application to help their continuous improvement efforts.

Objective :

- **Identifying techniques** : Experts will work with students and with the staffs that they are expert, to identify potential techniques (practices, strategies, principles) that they can help students to adopt to improve the way that they work.
- **Sharing techniques** : Experts will help students to share techniques that they find effective with one another. Helping to build a learning organization is the primary way for CoE experts to scale their efforts and better yet work their way.
- **Capturing techniques** : CoE Experts will work with students to capture viable techniques so as to build technocrat students memory around their processes and strategies.
- **Supporting student teams** : The primary mission for CoE coaches is to support individual student and their team learning.
- **Organizing communities of practice (CoPs)** : Very often a CoE will initiate, or at least support the initiation of, one or more communities of practice (CoP) to aid their educational efforts. For example, an AI CoE may help to organize an AI CoP, ML CoP.

**NAVSAHYADRI EDUCATION SOCIETY'S GROUP OF INSTITUTIONS
FACULTY OF ENGINEERING, NAIGAON, PUNE**

A.Y. 2023-24

- **Governing improvement :** A CoE will often collect and track a collection of metrics to help them both govern and to justify student technical enhancement.
- **Startup Guidance :** A CoE will help to student convert their idea to startup development to become an entrepreneur.
- **Research and Development :** A CoE will help research activities also implementation of product up to patent filling.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

**Navsahyadri Group of Institute Faculty of Engineering (NGIFOE), Naigaon, Pune
AND
Automaton AI, ADVIT AI labs, Pune**

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 20th of July 2023 – 20th July 2024 by and between.

2025	Total 144 Hours (36 hours Aptitude+36 hours Business Analytics+36 hours Specilisation Specific Training +36 hours Excel Training & Entrepreneurship Devp Training)	144	*Assessments *Certificates *Place Sense *Mock Interviews	Rs 5000/- + Gst

- The full professional fees for the training should be paid as and when the training completes (within 10 days).
- First Party has agreed for a price freeze i.e. no increase in the prices for 36 months unless the Second Party opts for a new or additional service extended by the First Party.
- This MOU will be made void if there is deficiency found in the service offered by the First Party. However Second Party should produce appropriate documents to prove the same & Second Party to give 1 months' time to the First Party to rectify and improve.
- The timetable will be created as per mutual convenience of both the parties (6 hours per resource person of the First Party for everyday he/she is engaged by the Second Party).
- First Party will provide the complete report & feedback of the training & on the student's performance during the training.
- Second Party will provide Classrooms, Projectors, AV Systems & White/Black boards to conduct the training.
- First Party would assist the Second Party in the following aspects:

- Preparing the question papers and answer keys necessary for administering the examinations on behalf of the Second Party to its students
 - Proctoring/Invigilating the entire examinations on behalf of the Second Party
 - Evaluating the examinations on behalf of the Second Party and submitting the reports on student performance to the Second Party on a timely basis
 - Providing necessary online support to the Second Party for the correct display of results and performance of its students for every examination conducted
- First Party will provide all the students with the printed book materials.
 - Online learning and assessments will be provided complimentary to the Second party by the First Party
 - Prior information should be given by the second party to the first party in the event of any classes being called off (At least a day in advance), else those hours will be considered for billing.
 - Seventh Sense via **"Place Sense"** would provide assured 25 placement opportunities through its partner and affiliated companies to all the students when they graduate to Final year of Engineering (2024 Batch students)
 - The deliverables are as mentioned below:
 - Minimum of 25 placement opportunities for every student.
 - Placement Assistance for 18 months (till 30th of December)
 - Minimum of Rs 3 LPA to a maximum of Rs 26 LPA starting salaries
 - No BPOs, no tech support opportunities (Even if extended will not be considered in the 25 opportunities)
 - Opportunities in top MNCs such as Flipkart, VMware, Oracle, Procter and Gamble, Cerner, ACE Designers, Schindler Electric, Shobha Developers, Ambuja Cements etc..
 - Special opportunities in select companies for students as per their branch of study
 - Company specific live training/Courses/Videos for the opportunities including videos and mock papers
 - All openings are full time, paid and with the client (no paid training, no free employment, no third party etc)
- In addition the students of CEC will get company specific LIVE training FREE for:
- TCS, • Infosys, • CTS, • Wipro, • Accenture, • IBM, • CapGemini, • NTT Data, • Hexaware &
 - Persistent Systems

In witness whereof the parties here to have here onto set their hands and seals the day and year first above - written

Scope of MoU:

A Memorandum of Understanding (MOU) between a college or educational institution and a manufacturer, supplier, or exporter company can have various scopes and purposes depending on the specific goals and objectives of the parties involved. Here are some common areas of cooperation and

potential scope for such an MOU:

Research and Development Collaboration: The college may collaborate with the manufacturing company on research projects related to the company's products or industry. The MOU can outline the terms of sharing resources, funding, and intellectual property rights related to joint research efforts.

Skill Development and Training: The College can partner with the company to provide training and skill development programs for students, employees, or the community. The MOU can detail the curriculum, facilities, and resources to be provided by the college and any financial arrangements.

Internship and Placement Programs: The manufacturer or exporter company may offer internship opportunities for college students. The MOU can define the terms of internships, including stipends, duration, and expectations, as well as the possibility of future employment.

Product Testing and Validation: The College's laboratories and expertise may be used by the company for product testing and validation. The MOU can outline the terms of access to the college's facilities and the responsibilities of each party.

Technology Transfer: The manufacturer may seek to transfer technology or knowledge to the college for educational purposes. The MOU can specify the terms of technology transfer, including licensing, royalties, and intellectual property rights.

Supply Chain and Procurement: The College may source equipment, materials, or products from the manufacturer or supplier. The MOU can detail pricing, quality standards, delivery schedules, and terms of supply.

Export Assistance: If the college has international connections, it may assist the exporter company with market research, networking, or export strategies. The MOU can define the scope of export assistance and any related costs or revenue-sharing arrangements. Community

Engagement and Outreach: The College and the company may collaborate on community engagement initiatives or social responsibility projects. The MOU can outline the objectives, activities, and responsibilities of both parties in such initiatives.

Joint Workshops and Conferences: Both parties can organize workshops, seminars, or conferences on topics related to their industries. The MOU can describe the roles and contributions of each party in hosting such events.

Marketing and Promotion: The College may promote the company's products or services through its marketing channels. The MOU can specify the terms of marketing collaboration and any associated costs or revenue-sharing arrangements. It's essential to draft a detailed MOU that clearly defines the scope of collaboration, roles and responsibilities, timelines, financial arrangements, confidentiality, and dispute resolution mechanisms. Legal consultation is often advisable when creating such agreements to ensure they meet the needs and protect the interests of both parties.

Limitations on Use:

The Company does not permit the utilization of its name/brand for use by any other association partner, other company without prior permission. Breaching of the clause would lead to immediate legal action.

Confidentiality:

Licensee agrees to observe complete confidentiality with respect to the Company, and will not disclose any information, copy, reproduce or alter the Information provided.

Entire Agreement:

This Memorandum of Understanding is a legal agreement between Nath Private Limited, Jambhulwadi Rd, Maharashtra 411046 ("Company") and navsahyadri group of institutes, faculty of engineering, Sr. No. 69,70,71, Naigaon (Nasarapur), Pune-Satara Highway, Pune-412213 ("College") which is a signatory of the entire MoU.

Capacity Expansion: Continuously evaluate and expand production capacity to meet growing demand.

Innovation: Research and develop new products or improve existing ones to stay competitive in the market.

Sustainability: Implement eco-friendly and sustainable manufacturing practices to reduce environmental impact.

Market Expansion: Explore new markets and distribution channels to increase sales and reach a wider customer base.

Compliance: Ensure compliance with industry regulations and standards in terms of product quality and safety.

Reliability: Provide a consistent and reliable supply of products or materials to meet customer demands.

Cost-Effective Sourcing: Continuously search for cost-effective sources of supply to maintain competitive pricing.

Inventory Management: Efficiently manage inventory levels to prevent overstock or stock outs.

Customer Service: Offer responsive and effective customer service to address inquiries, issues, and orders promptly.

Quality Control: Ensure the quality of supplied products or materials meets the agreed-upon standards.

Timely Delivery: Deliver products or materials on time and as promised to customers.

Scope of MoU:

A Memorandum of Understanding (MOU) between a college or educational institution and a manufacturer, supplier, or exporter company can have various scopes and purposes depending on the specific goals and objectives of the parties involved. Here are some common areas of cooperation and potential scope for such an MOU:

Research and Development Collaboration: The college may collaborate with the manufacturing company on research projects related to the company's products or industry. The MOU can outline the terms of sharing resources, funding, and intellectual property rights related to joint research efforts.

Skill Development and Training: The College can partner with the company to provide training and skill development programs for students, employees, or the community. The MOU can detail the curriculum, facilities, and resources to be provided by the college and any financial arrangements.

Internship and Placement Programs: The manufacturer or exporter company may offer internship opportunities for college students. The MOU can define the terms of internships, including stipends, duration, and expectations, as well as the possibility of future employment.

Product Testing and Validation: The College's laboratories and expertise may be used by the company for product testing and validation. The MOU can outline the terms of access to the college's facilities and the responsibilities of each party.

Technology Transfer: The manufacturer may seek to transfer technology or knowledge to the college for educational purposes. The MOU can specify the terms of technology transfer, including licensing, royalties, and intellectual property rights.

Supply Chain and Procurement: The College may source equipment, materials, or products from the manufacturer or supplier. The MOU can detail pricing, quality standards, delivery schedules, and terms of supply.

Export Assistance: If the college has international connections, it may assist the exporter company with market research, networking, or export strategies. The MOU can define the scope of export assistance and any related costs or revenue-sharing arrangements. Community

Engagement and Outreach: The College and the company may collaborate on community engagement initiatives or social responsibility projects. The MOU can outline the objectives, activities, and responsibilities of both parties in such initiatives.

Joint Workshops and Conferences: Both parties can organize workshops, seminars, or conferences on topics related to their industries. The MOU can describe the roles and contributions of each party in hosting such events.

Marketing and Promotion: The College may promote the company's products or services through its marketing channels. The MOU can specify the terms of marketing collaboration and any associated costs or revenue-sharing arrangements. It's essential to draft a detailed MOU that clearly defines the scope of collaboration, roles and responsibilities, timelines, financial arrangements, confidentiality, and dispute resolution mechanisms. Legal consultation is often advisable when creating such agreements to ensure they meet the needs and protect the interests of both parties.

Limitations on Use:

The Company does not permit the utilization of its name/brand for use by any other association partner, other company without prior permission. Breaching of the clause would lead to immediate legal action.

Confidentiality:

Licensee agrees to observe complete confidentiality with respect to the Company, and will not disclose any information, copy, reproduce or alter the Information provided.

Memorandum of Understanding (MoU)

Whereas, Training & Placement Cell, Department of Engineering Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune

Requisite parameters: Quality technical education is imparted to the students in the area of Engineering. The Engineering Department offers testing consultancy and training services in the area of electrical design, power quality, condition monitoring, energy management and audit.

And

Whereas, Maharashtra State Electricity Distribution Company Limited (MSEDCL), also known as MAHAVITARAN is engaged in supplies electricity to a 2.30 core consumers all over Maharashtra. As the largest public sector Electricity Distribution Company in the State and in Asia, Mahavitaran plays an important role in the power scenario of Maharashtra. Primary function on MSEDCL is to develop and maintain efficient, co-ordinate and economical distribution system and providing quality electric supply to consumers. It is necessary to inculcate exceptional leadership, professional competencies, commercial acumen, team building, changing attitude, developing work culture and enhancing safety standard among the work force.

As per organization training Policy, the various training activities carried out in our Institute.

The Department of Training and Safety, has situated in serene atmosphere at Eklahare, training arm of MSEDCL, is accredited by Central electricity Authority (CEA) "A" grade under Ministry of Power, Government of India. It imparts Residential Orientation; Induction & Need based Training to Engineers, Staff from Human Resources, Finance & Account cell and vigilance & legal cell.

There are four Regional Training Centers at Nashik, Aurangabad, Sangli & Amravati and there are 25 Small Training Centers at district level for conduction of one day Safety Seminar for employees and Public for Safety Awareness.

Under the National Training Program, the Department of Training & Safety is also a partner-training institute recognized by Power Finance Corporation (PFC) and Rural Electrification Corporation (REC). The Memorandum of Agreement (MoA) made between REC and institute of Training & Safety, MSEDCL for conduct of C&D employees training program during 2013-2017.

SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between T&P Cell NGIFOE Pune, Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune

and Small Training Center, M.S.E.D.C.L,Pune Zone (Institute of Training & safety), for enhancing, the availability of highly qualified manpower in the areas without any prejudice to prevailing rules and regulations in T&P Cell NGIFOE Pune, Engineering Department Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune and M.S.E.D.C.L, Institute of Training &safety. The areas of cooperation can be extended through mutual consent.

SCOPE AND TERMS OF INTERACTIONS

T&P Cell NGIFOE Pune. Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune

And
Small Training Center, M.S.E.D.C.L, Pune Zone (Institute of Training & safety) shall encourage interactions between the Engineers, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a) Exchange of personnel through deputation for special subject periods.
- b) Organization of Joint conferences and seminars, Industrial visits, Expert lectures etc. Monitor process of organizing industry based projects for Diploma in Engineering students.

Practical training of Students/Staff of T&P Cell NGIFOE Pune,
Dept of Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune at
M.S.E.D.C.L, Institute of Training & safety.

- c) MSEDCL may request to design a Course or Courses to enhance quality and performance of its employees. Such Courses may be run at any mutually convenient premises.
- d) MSEDCL may seek assistance/guidance of T&P Cell NGIFOE Pune , Engineering Department, Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune
- e) T&P Cell NGIFOE Pune , Engineering Department, Navshyadri Group of Institution,s Faculty of Engineering Naigaon, Pune & MSEDCL would arrange discussion sessions for the staff and students, which will help to design its Syllabus, Vision & Mission

of the Institute & Departments, Program Objectives, Course Outcomes/Objectives according to the current requirement of the MSEDCL, as well as design various certificates and diploma courses for the requirement of MSEDCL.

SHARING OF FACILITIES

- a) T&P Cell NGIFOE Pune, Navshyadri Group of Institutions Faculty of Engineering Naigaon, Pune and MSEDCL shall make provisions to share their respective important R&D facilities & Infrastructure in order to promote academic and research interaction in the areas of co-operation.
- b) T&P Cell NGIFOE Pune, Engineering Department, Navshyadri Group of Institutions Faculty of Engineering Naigaon, Pune and MSEDCL shall provide access to the library facilities to scientists' members of faculty and students as per the prevailing rules and norms in the respective institutes.

CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a) The collaborative program between T&P Cell NGIFOE Pune, Engineering Department, Navshyadri Group of Institutions Faculty of Engineering Naigaon, Pune and MSEDCL shall be coordinated by a coordination committee appointed by both the Institutes.
- b) The expenses i.e. cost of Travelling Allowances, Dearness allowances and cost of stay of the faculty (If any) for expert lectures will be taken care by respective Institute.

EFFECTIVE DATE AND DURATION OF MOU

- a) This MOU shall be effective from the date of signing by competent authorities at both ends.
- b) The duration of the MOU shall be for a period of **three years** from the effective date.
- c) The MOU may be extended or terminated by a prior notice of not less than **three months** by either party or mutually specifically disclosing the intension to withdraw from MoU. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a program under the MoU.
- d) Any clause or article of the MOU may be modified or amended by mutual agreement of MSEDCL and Engineering Department, Government Polytechnic, Pune.

MISCELLANEOUS

The MoU is purely Knowledge sharing base. T&P Cell NGIFOE Pune, Electrical Engineering Department, Navsahyadri Group of Institutions, Faculty of Engineering Naigaon, Pune and MSEDCL shall not, during the term of this agreement directly or indirectly, solicit or offer employment or engagement to any of the personnel of other party.

- a) After this agreement has been signed, the exercise shall be taken in co-ordination with each other.

IN WITNESS WHERE OF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT
EFFECTIVE AS ON THE DATE AND YEAR FIRST WRITTEN ABOVE.

Outcomes:

In CNC machine training, students learn skills including:

- Reading blueprints and using computer-aided design (CAD) and computer-aided manufacturing (CAM) software programs
- Interpreting geometric dimensioning and tolerancing
- Programming, setup, operation and disassembly of CNC lathes and mills
- Aligning, securing and adjusting work pieces and cutting tools
- Monitoring machine movement and speed
- Examining completed products for defects and conducting product testing
- Smoothing part or product surfaces
- Working with industry-preferred tools and technology, from brands like Mastercam, Mitsubishi Materials and Mitee-Bite Products LLC
- Using best practices in safety and job planning

MEMORANDUM OF UNDERSTANDING

Between,

Navsahyadri Education Society's Group of Institutions And

Sub Division Officer Bhor, Jalyukt Shivar Abhiyan, Taluka Committee

1. Purpose

This Memorandum of Understanding (MoU) establishes a framework for collaboration between Navsahyadri Education Society's Group of Institutions (hereinafter referred to as "NES") and the Sub Division Officer, Jalyukt Shivar Abhiyan Taluka Committee (hereinafter referred to as "SDO") for the purpose of advancing water conservation efforts and related initiatives in the Taluka.

2. Objectives

The primary objectives of this MoU are:

- To collaborate on water conservation projects and initiatives under the Jalyukt Shivar Abhiyan.
- To engage students and faculty of NES in practical water conservation activities and research.
- To raise awareness and educate the community about sustainable water management practices.
- To support and enhance the implementation of water conservation measures in the Bhor Taluka.

3. Roles and Responsibilities

Navsahyadri Education Society's Group of Institutions:

- Facilitate student involvement in water conservation projects and initiatives.
- Provide technical expertise, research support, and educational resources related to water management.
- Organize workshops, seminars, and field activities focused on water conservation.
- Assist in the collection and analysis of data relevant to water conservation efforts.

Sub Division Officer, Jalyukt Shivar Abhiyan Taluka Committee:

- Provide information and guidance on the objectives and requirements of the Jalyukt Shivar Abhiyan.
- Collaborate with NES in planning and executing water conservation projects and activities.

- Facilitate access to sites and resources necessary for the implementation of projects.
- Support NESI in organizing community outreach and awareness programs related to water conservation.

4. Duration

This MoU will be effective from the date of signing (5/7/2020) and will remain in force for a period of One year, unless terminated earlier by mutual consent of both parties. The MoU may be extended or revised upon agreement by both parties.

5. Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or sensitive information exchanged during the collaboration. This obligation will continue beyond the termination of this MoU.

6. Termination

Either party may terminate this MoU with [specify notice period, e.g., 30 days] written notice to the other party. Termination does not absolve either party from fulfilling any outstanding obligations or commitments made prior to the termination date.

7. Dispute Resolution

Any disputes arising from or in connection with this MoU will be resolved through amicable negotiations. If the parties cannot resolve the dispute through negotiations, it will be submitted to arbitration in accordance with the applicable laws.

8. Miscellaneous

- This MoU constitutes the entire agreement between the parties and supersedes any prior agreements or understandings.
- Amendments to this MoU must be made in writing and signed by authorized representatives of both parties.

MEMORANDUM OF UNDERSTANDING

Between

Techbuzz Solution Pvt Ltd

And

Navsahyadri Education Societys Group of Institute

Date: 13/8/2020

1. Purpose

The purpose of this Memorandum of Understanding (MoU) is to establish a mutual understanding and agreement between Techbuzz Solution Pvt Ltd and Navsahyadri Education Societys Group of Institute regarding the collaboration/project/partnership.

2. Objectives

- **Educational Collaboration:** The primary objective of an MOU between a college and a company is often to establish a cooperative relationship that enhances educational opportunities for students. This may include internships, co-op programs, guest lectures, workshops, and other forms of experiential learning.
- **Research and Development:** The MOU may outline a joint commitment to research and development activities. This could involve collaborative projects, sharing of research resources, and access to specialized facilities or equipment.
- **Skill Development and Training:** The MOU may address mutual efforts to enhance the skills and knowledge of employees and students. The company may provide training opportunities to college faculty and students, and the college may offer customized training programs for the company's employees.
- **Industry-Academia Interface:** The MOU can foster a closer relationship between academia and industry, promoting knowledge exchange, technology transfer, and innovation. It may encourage joint participation in conferences, seminars, and other networking events.
- **Recruitment and Talent Pipeline:** Companies may use the MOU to establish a formal channel for recruiting talented students from the college. The agreement can outline the hiring process, intern-to-employee pathways, and other aspects of talent acquisition.

- **Exchange Programs:** The MOU may facilitate faculty and student exchange programs, allowing staff and students to gain exposure to different teaching and learning environments.
- **Intellectual Property Rights:** The agreement may address the ownership and usage of intellectual property resulting from joint projects or collaborative efforts.

3. Scope of Collaboration

- **Sharing of Physical Resources for Mutual Benefits:** (a) Laboratory (b) Library (c) Workshop (d) Computer Center/Facility (e) Classroom (f) Auditorium, Playground, Indoor stadium etc.
- **Knowledge Sharing through:** (a) Workshop, Seminar, FDP, Lectures etc (b) Promotion of participation of the faculty members as Resource Person (c) Internships for students (d) Joint academic programs for the Award of Certificate/Diploma (e) Faculty Exchange , Course sharing, curriculum sharing
- **Research Collaboration** (a) Access to Research Lab, Software and Data Sharing (b) Participation in Collaborative Research/Project work for both faculties and Students Girijananda Chowdhury University, Assam (c) IPR (d) Collaborative Consultancy work
- **Collaboration with Industry** (a) Collaboration for Student Placement and Apprentice (b) Industry Visit, Internship and Training (c) Participation as Industry Expert in Curriculum Development (d) Engagement in Course/Content delivery (e) Consultancy works (f) Data, Laboratory and Equipment sharing for R&D Activities
- **Collaborative activities as Social Responsibility** (a) Joint Awareness Programs (b) Relief Activities, donation etc. (c) Collaborative cultural programs

4. Confidentiality

Both parties agree to maintain the confidentiality of all proprietary information shared during the course of this collaboration. Confidential information shall not be disclosed to any third party without prior written consent from the disclosing party.

5. Term and Termination

- **Effective Date:** This MoU shall be effective from [Start Date].
- **Duration:** The MoU shall remain in effect until [End Date] unless terminated earlier by mutual agreement.
- **Termination:** Either party may terminate this MoU with [Notice Period] written notice to the other party.

6. Dispute Resolution

Any disputes arising out of or in connection with this MoU shall be resolved through [dispute resolution mechanism, e.g., mediation, arbitration].

7. Amendments

Any amendments or modifications to this MoU must be made in writing and signed by authorized representatives of both parties.
