Tree Plantation Report

Today Hon'able Guest **Mrs.Gaikwad Prajakta Madam,**

Say that trees are often referred to as the lungs of our planet. They provide us with oxygen, absorb harmful carbon dioxide, and help mitigate climate change. Beyond their ecological significance, trees also contribute to our overall well-being in numerous ways. They provide shade, reduce air pollution, support biodiversity, and even enhance the aesthetic appeal of our surroundings.

Our guest discuss the question and answers to the students tree plantation and trees are life of human being.

We all staff member thanks the guest given valuation information to the Tree is important to our life and human being.
